BROHERLY LOVE is our response to the lives we deem as worthy of the highest dignity and care.

How to measure people’s value:
Worldly measurements = resumé, labeling, personal advantage.
Gospel measurements = created in the image of God.

Questions:
1. Where do I see genuine “brotherly love” at work in my life?
2. Who do I struggle sharing genuine “brotherly love” with? Why?
3. How many times this week can I re-orient my heart to affirm “brotherly love” for others?

What’s happening with the Lighthouse family...

Because relationship with one another is at the core of being a disciple of Christ, we invite you to find community and experience spiritual transformation through LCC’s groups, classes, events, and service opportunities.

Updated Mask Policy: Masks are no longer required in LCC’s buildings. Please visit www.lighthousehome.org/update to learn more and read a letter from Pastor Brandon and LCC’s Leadership Team. If you have questions, please email the LT at lt@lighthousehome.org.

Impact God’s Kingdom...one child at a time: You don’t have to be a Bible scholar or an expert on children to influence kids for Jesus. God’s love is wonderfully on display and felt by our kiddos as you serve them snacks, help them with their crafts, or share a simple story with them. To learn more about how you can help kids experience the love of Jesus, visit www.lighthousehome.org/km2 or email our Children’s Ministries director, Jenn Ransom, at jenn@lighthousehome.org.

Mission Trip with Clean Water equals Life: We have a mission trip to Sierra Leone planned for June 17-30. If you are interested in learning more about this opportunity, contact Pastor Paul Moffett by email paul@lighthousehome.org. Training for this trip starts in early April.
