39 He also told them a parable: “Can a blind man lead a blind man? Will they not both fall into a pit? 40 A disciple is not above his teacher, but everyone when he is fully trained will be like his teacher. (Luke 6:39-40)

And we all, with unveiled face, beholding the glory of the Lord, are being transformed into the same image from one degree of glory to another. (2 Corinthians 3:18)

Overview

Whether we know it or not, every human being is being formed by seen and unseen elements of our world and life. We should not be asking ourselves the questions, “AM I CHANGING?”, but instead should be asking daily: “WHO AM I TURNING INTO?”

The work of Jesus at the Cross not only saved us from life after death, but also invited humanity into a radical formation of life before death. And it is in God’s heart to help humanity transform into the likeness of Jesus. But in order to do that, we must be aware of the unintentional ways we are being formed by the world, and replace them with the ways God has used to form Christ-like character into His people.
